Premium Ultra Clear Heavy Duty Carton Sealing Tape

DESCRIPTION

2.7 mil crystal clear, premium heavy-duty carton sealing tape with solvent-based acrylic adhesive.

APPLICATION

- For sealing boxes, splicing and other demanding packaging applications subjected to rough shipping conditions or where very high sealing performance is desired.
- Good for multi-purpose packaging where wide temperature ranges are required.
- High strength suitable for heavy-duty carton sealing needs.

<u>PHYSICAL PROPERTIES</u>	<u>VALUE</u>	<u>TEST METHOD</u>
Total Thickness	2.7 mil	PSTC-33
Film	(biaxially oriented polypropylene)	
Tensile Strength	24 lbs. / in.	PSTC-31
Elongation at Break	150 %	PSTC-31
Peel Adhesion	30 oz. / in.	ASTM D-1000

Recommended one-year shelf life from date of dispatch if kept at moderate temperatures and humidity levels.

Physical characteristics shown are averages from tests and should not be used for specification purposes. A particular roll may vary slightly from these averages. The buyer should determine the suitability for his own use through personnel test.
