

# AISLE MARKING TAPES

STAY MINDFUL OF HAZARDS WITH ELECTRO TAPE'S LINE OF SAFETY MARKING TAPES

**AISLEMARK™**

Eleven colors provide for a wide range of color coding applications and lane marking differentiation.

## 150 Series - Solid Color PVC Marking Tape

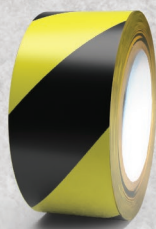

Tape colors designed to meet OSHA safety coding requirements. Excellent conformability to uneven shapes and surfaces. Suitable for decorating, striping and sealing. Available in widths of 3/8" up to 4". Custom widths are available.

## 141 Series - Safety Striped PVC Marking Tape

Striped pattern warns of physical hazards & dangers such as low pipes, ceilings, steps, doorways and exits. When applied to trucks, forklifts and other vehicles, it increases danger awareness.

## 143 Series - Laminated Safety Striped PVC Tape

PVC carrier is top coated with an overlamine of clear polypropylene film to enhance performance.

Lamination protects the tape for long life & durability in heavy traffic areas.

## Aisle Marking Tape Dispenser

Item # 90009

Used to apply vinyl tape conveniently and accurately to various floor surfaces.

Heavy-duty construction and weight ensures proper tape-to-surface contact. Ideal for applying tape to aisles, hazard zones, storage areas, etc. Dispenses tape up to 4" wide on a standard 3" core.
